As men grow in holiness, the Holy Spirit compels them to pass this on to the next generation. Fraternus trains and equips these men and entrusts them with the challenge to mentor boys in grades six through twelve, into virtuous Catholic men. Fraternus ministers to the hearts of both adult leaders ("captains") and male youth ("brothers"). Our Lady Of Hope Community Farm

Comunità Cenacolo America is part of the international Comunità Cenacolo, Community of the Cenacle, founded in Italy in 1983 by Mother Elvira Petrozzi. Mother Elvira felt certain that God was calling her to serve the poor of the modern world: disillusioned young men and women who live in desperation and hopelessness, convinced that life has no meaning or value. Unable to find peace or joy in their lives, they seek to fill the emptiness with drugs, alcohol and the illusory pleasures of the world, only to find themselves in an intense interior isolation.

We believe that the Christian life in its simplicity and fullness is the true answer to every restlessness in the human heart and that, in the living encounter with God's Mercy, man is reborn into hope and is freed from the chains that have enslaved him, thus rediscovering the joy of loving. Tolomato Cemetery Preservation Association

There are large numbers of documented burials from the 18th and 19th centuries, with all burials ceasing in 1884. Tolomato Cemetery is of interest to a wide range of groups: it has the earliest graves of the Sisters of St Joseph, as well as burials of veterans that represented both sides of the Civil War. It was also the burial site of important political and religious leaders, such as General Georges Biassou of Haiti and Venerable Father Felix Varela of Cuba, whose canonization process is underway.

The TCPA has been working to preserve and protect the site and to interpret its rich history to the public. The goal of the Association is to provide regular access to the Cemetery to introduce visitors to this fascinating part of St. Augustine's past and to make the Cemetery an even more beautiful part of modern St. Augustine. **For further information or membership visit our website: <http://www.tolomatocemetery.com> or contact us at Tolomato Cemetery Preservation Association, Inc., P.O.
