April 2, 2024 • Diocese of St. Augustine

Attention, Diocese of St. Augustine! Bishop Pohlmeier has a crucial message about the upcoming "Amendment to Limit Government Interference with Abortion." This is a must-read for all Catholics concerned about protecting life.

A Message from Bishop Erik T. Pohlmeier

I was troubled when I learned of the effort to amend the Florida Constitution to enshrine abortion. Now that the Florida Supreme Court has confirmed that the amendment will be on the ballot this November it is crucial that voters **reject** the proposal.

Efforts are underway to educate the public about the risks of this amendment. The Florida Conference of Catholic Bishops stands united in opposing this disregard for life. More information will be provided as we work to inform voters about the dangers of this amendment.

The debate around abortion has persisted throughout my entire life. Personally, I have witnessed the profound suffering of women who have chosen abortion. While society has a responsibility to support women and families, terminating a child's life never leads to a solution.

Key arguments promoting abortion often overlook a crucial point. Phrases like "abortion is healthcare" or "my body, my choice" ignore the fact that another life is at stake. Once a baby is conceived, there is another body to consider. It can never be considered healthcare when it results in the death of another person.

The lives of many mothers are complex, and the news of a pregnancy is not always met with joy. While we should strive to improve the lives of those who struggle, we must remember that the unborn child is never to blame.

In the coming months, there will be a significant amount of information about the "Amendment to Limit Government Interference with Abortion." It's essential not to ignore this information and to understand what is being proposed. The title itself is misleading because the government should prioritize protecting life.

Lastly, we must recognize that this is also a spiritual battle. Any effort to end life must be resisted with prayer. Remember, God's strength and seek his grace. Only with the power of the Holy Spirit can we help shape our society to value the gift of new life.

A BLESSED PAST, A BUILDING FOR THE FUTURE DONOR PROFILE

KIMBERLY AND ROB CONWAY
Saint Johns, Florida
Cathedral parishioners since 2022

What do you love about the Cathedral parish?

We love the Cathedral Basilica because it's rich history and beauty brings us closer in communion with God. We especially appreciate the music in the Sacred Liturgy with the phenomenal pipe organ and beautiful choir.

Why did you choose to support the A Blessed Past, A Building for the Future Capital Campaign?

We wish to support the priests of the Cathedral Basilica. We believe they need and deserve a rectory which reflects the Cathedral in which they serve in order that they can feel appreciated and can rest and be rejuvenated in a safe, comfortable home.

Our Lady of La Leche

Nuestra Señora de la Leche y Buen Parto - Our Lady of the Milk and Happy Delivery - graces a small mission chapel in the heart of what is lovingly referred to as the "sacred acre." Pilgrims come from all parts of the world to pray for her powerful intercession. They pray for fertility, for the health of their children, for safe delivery of those expecting. Their prayers continue to be answered, and many return in thanksgiving to share their stories.
